Professional Summary

Seeking internship in Civil Engineer, especially Structural Engineering. I am a reliable, responsible, enthusiastic, dedicated and organized worker with articulate communication skills. I pay attention to detail and am eager to grow and learn.

Education

High School, GPA: 3.62/4 - Wethersfield High School. Wethersfield, CT

University of Hartford Class 2024- West Hartford, CT. BS Civil Engineering

Related Coursework

Engineering and Design: Arduino programming, Design cycle, and team working skills.

Graphic Communications: AutoCad, Solidworks, Hand drafting skills and commonalities.

Ceta Honors Seminar: Engineering ethics, Engineering problem solving and common field etiquette.

Calculus 1 & 2

Leadership and Organizations

Treasurer of Rotaract Club at University of Hartford: Estimated and managed the club's \$600 yearly budget.

American Society of Civil Engineer: Member of ASCE Structural Engineer Institute/ CSCE chapter.

Engineers Without Borders: Currently working on the Tanzania water project. Programing Python scripts to analyze climate data and predict future environmental constraints.

Film Production Club: Worked on different short film projects as a hobby.

Work History

Food Service Worker- Max Bibo's, Wethersfield CT

- Worked on everything customer service related - deliveries, phone-services, cashier, server, etc.

Paraprofessional Aide- Wethersfield Parks & Recreation, Wethersfield CT

- Assisted a student with special needs during after school activities, finding a compromise between his learning needs and the classroom's learning needs.

Janitorial Worker- Horizon Services Co., East Hartford CT

- Devoted a special emphasis to punctuality and worked to maintain a perfect attendance record, consistently arriving to work with enthusiasm and motivation.

Construction Worker- DT Marble & Granite, Fort Lauderdale, FL

- Developed, along with my team, numerous indoor and outdoor remodeling projects, implementing efficient but careful working tactics to handle delicate marble pieces.
- Helped project manager build and follow work schedules for projects.
