

Zubaeer Akhtar

Email: zyakhtar@umich.edu **Location:** Greater Detroit Area

Summary Highly motivated junior seeking internship experience in infrastructure engineering and construction management engineering.

Education **University of Michigan** **Ann Arbor, MI**
Bachelors of Science in Civil Engineering 2022
Minor in Environmental Studies
Minor in Real Estate Development

University of California **Irvine, CA**
Project Management and Other Tools for Career Development Certification 2020

Leadership **Engineering Student Government**
Senator (2019-Present)

- Serve as student body representative for the College of Engineering
- Promote and maintain internal affairs for the College of Engineering

Peer Mentor
College of Engineering (2019-2020)

- Mentor and advise an incoming freshmen cohort
- Provide guidance and resources for academic, social, and career success

Planet Blue Ambassador
University of Michigan (2019-Present)

- Representative for sustainability development
- Environmental awareness programming

Experience **Residential Advisor (2020-Present)**
Advise around 50 students in resident education in Bursley Hall, Ann Arbor, Michigan.

Open-Storm Laboratory Research Assistant (2019-Present)
Build and deploy nodes that collect data from watersheds and give feedback in real time, creating a dynamic smart stormwater system.

Coursework **Department of Civil/Environmental Engineering**
Program GPA: 3.300

- (ENGR 101) Introduction to Computers and Programming
- (CEE 211) Statics and Dynamics
- (CEE 212) Solid and Structural Mechanics
- (CEE 265) Sustainable Engineering Principles
- (CEE 230) Thermodynamics
- (CEE 303) Computational Methods for Civil Engineering
- (CEE 331) Construction Management
- (CEE 534) Construction Engineering, Equipments and Methods

Skills Microsoft Office, Google Workspace, MATLAB, Python, Autodesk REVIT, Bluebeam

Strengths Strong work ethic, excellent communicator, agile learner willing to adapt for success
