OBJECTIVE

[Comment: MOVING THIS CHAPTER TO UNDER YOUR NAME.]

Motivated recent MSc in Infrastructural Engineering graduate, I am seeking an entry-level position in Civil Engineering. Bringing hands-on experience in urban planning, hydraulic solutions, and project management. Excited to contribute to dynamic projects, showcasing adaptability, and continuous learning in a collaborative engineering environment.

[Comment: GOOD!]

EXTRACURRICULAR

Volunteer, HOOK's Mentor, Győr – Hungary — Set/2023 – present.

- Assisting 18 international students to settle down at the university, and find stores, and bureaucracy, located in the city.

[Comment: THIS IS NICE BUT DID IT DEVLOPED LEADERSHIP OR SOMETHING THAT CAN BE RELATED TO A JOB OR CIVIL ENGINEERING?]
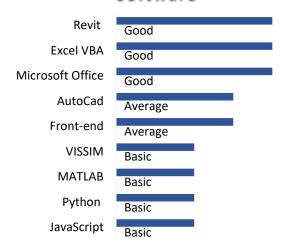

Project Management, GlobalShala, Gyor - Hungary — Jan/2023 – Feb/2023.

- Leader of the project management team.
- Certificate and scholarship granted from Saint Louis University.
- Developed skills in project management and resources management.

[Comment: FOR...EXCELING? A GOOD GRADE...?]

[Comment: HOW?]

[Comment: ALL YOUR EXPERIENCE AND EXTRACURRICULAR NEEDS TO HAVE MORE DETAILS. THESE SEEMS LIKE GOOD EXTRAS BUT I DON'T KNOW WHAT YOU DID BY READING THE BULLET POINTS.]

Volunteer, Integrate, Mérida – México   Set/2018 – Dec/2018.

- Helped as a staff organizing trips and parties. Also, I helped other student's international students to settle down in the city.
