

# SHEHA THAZHATHETHIL

## CIVIL ENGINEERING INTERN

### EDUCATION

Your education all seems clumped together, I would add line breaks in between each

#### B. Tech Civil Engineering

Manipal Academy of Higher Education, Dubai

2018 –2022

GPA: 10/10 (Recent Semester)

Indian Public High School, RAK

2004 – 2016

CGPA: 9.6/10 (Secondary School Examination)

New Indian High School, RAK

2016-2018

Percentage: 92%/100% (State Board)

### INTERNSHIP EXPERIENCE

#### Al Zein Design, Structural Design Intern, July 2021 – August 2021

- Worked on the villa and villa extension projects.
- Made the design and analysis of the structural elements for the projects.
- Designed - flat slabs, solid slabs, ribbed slab for villa models using the softwares like ETABS & SAFE16.
- Architectural and Structural drawings were examined.
- ~~Got an opportunity to grasp the technical details for structural engineering works more attentively.~~

#### E-Construct Design & Build Pvt Ltd, Structural Intern, July 2020

- Developed the designing aspect pertaining to UG syllabus.
- Designed the truss & beam elements using the standard rules & analysed the portal frames on different load conditions
- Designed the software models on ~~ETA~~ typo, "curricular"
- Trained to excel and strengthen the knowledge through the opportunity.

### EXTRA CURRICULAR ACTIVITIES

- **American Society of Civil Engineers** 2021
  - President
  - Organized many Tech talks and site visits for the students
  - Standardized ~~and systematized the initiatives to bring up a new view~~ for the students
  - Executed the ~~of the young~~ engineers.
- **YMG Design Challenge 2020** 2020
  - Won 2<sup>nd</sup> position
  - Applied the sustainable and technological aspects to the project
- **ASCE Civil Engineering Competition Day** 2019
  - Won 3rd position
  - Applied the principles of analysis of a truss bridge
- **The Institution of Civil Engineers** 2019
  - Membership Coordinator
- **Institution of Structural Engineers** 2019
  - Membership Coordinator
- **Volunteering, Technovenza MAHE DUBAI,** 2019
  - Tasked with facilitating the movements of students
  - Keeping record of the incoming schools.

### ACHIEVEMENTS

- **100% scholarship awardee for the Bachelor's Degree** 2018

format your dates so that they are all right-aligned on your resume

### PROFILE

To strengthen my knowledge and skills through the opportunities that I get. To attain the technical skills required for the engineering solutions which will help me being fit for the job outcomes. This will ultimately help me to excel in the career I chose.

I would remove this bullet point since this isn't necessarily a responsibility from your internship, this is more of a lesson learned moment

several occasions.

### CONTACT

PHONE: 00971 55 846 1195

LinkedIn: [www.linkedin.com/in/shehamusthafa](https://www.linkedin.com/in/shehamusthafa)

EMAIL: Shehatsm02@gmail.com

DRIVING LICENCE - YES

### HARD SKILLS

- AutoCAD
- ETABS
- SAFE
- StaadPro
- Microsoft Office (Word, PowerPoint, Excel)

this looks like a different font

### SOFT SKILLS

- Networking
- Team Player
- Critical Thinker
- Good Communication Skill

Great resume Sheha!

I would recommend double-checking for any spelling errors and making sure that your resume is using the same font style everywhere. Also, it looks like you're using multiple font sizes so I would make sure that all headers are the same size and all bullet points are the same size to keep it consistent.
