2) Acceptance of Minutes – Monica Crinion

- a) The minutes from the April 3, 2023, Board of Directors meeting were presented. A vote to approve the April Minutes is deferred to the June Board Meeting.

3) Treasurer's Report – Tom Janicke

- a) The May 1, 2023, Treasurer's report was presented. (See attachment 3)
 - i) This month's expenditures included reissuing the ASCE Legislative Fly-In reimbursement check to President Homola, reimbursing Jeana Gowin for the 2022 Annual Dinner banner, and paying the invoice for Executive Secretary Sarah Harbaugh's services.
- b) President-Elect Huffman motioned to approve the May Treasurer's report as presented with a second from Director Revzin. **Motion passed with 15 – aye and 0 – no.**

4) New Business - Guests

- a) ASCE 2024 President-Elect Candidate Brett Phillips – Sandra Homola
 - i) President Homola introduced guest Brett Phillips who is running as one of the two nominees for the ASCE 2024 President-Elect.
 - ii) Candidate Phillips, the first ASCE Region 10 nominee, expressed his thanks to the ISASCE Board for allowing him to join the group and share his vision for ASCE. Brett envisions a future for the organization where ASCE is an essential partner for any person working in civil engineering, a leader in resolving global issues, and well known for members who participate to solve local, regional, and global issues.
 - iii) Karen Kabbes inquired how Candidate Phillips will support US based members as an international president based in Australia. Candidate Phillips will continue to use virtual meetings to connect with members across the world and will travel within the United States on 90-day visas using Reston, VA – near ASCE Society Headquarters – as his base for US travel.
 - iv) Chair Matos inquired how the president-elect candidate will improve the current 20% retention rate of student chapter members. Candidate Phillips proposes that 2025 be declared a year devoted to "Serving our Communities" with the aim that all Student Chapters across the globe, with the support of Younger Members, Member and/or Life Members as appropriate, each undertake one community project during 2025. He feels that these events will increase engagement between student, younger and more senior ASCE members and will improve ASCE student member transition and retention.

5) Old Business

- a) 2023 President-Elect / Spring Dinner – Matt Huffman
 - i) President-Elect Huffman gave a brief recap of the April 26, 2023 events. (See attachment 5a) Student members from Northwestern were unable to attend, but Society President-Elect Marsia Geldert-Murphey had a full day of meetings and networking with IIT and UIC students as well as ASCE Section Members at the evening dinner.
 - ii) President-Elect Huffman noted that the net cost for the dinner was around \$3,000. As in past years, event expenses were more than sponsorships. He suggests that the event be budgeted as an expenditure line item in next year's ISASCE budget.
 - iii) Scholarship Committee Co-Chair Starzyk stated that twelve (12) scholarships were presented and all but one scholarship winner was able to attend the dinner to accept the awards.

- i) LPS Chair Kabbes is seeking ideas for topics to include in the technical program that would be relevant to members and draw local attendance to the convention. The Society Program Committee has proposed the following topics:
 - (1) Chicago River Reversal, TARP, and current issues with invasive species (i.e. Copi, formerly known as Asian Carp)
 - (2) Lead pipe removal in the greater Chicago area
 - (3) Great Lakes climate change issues
 - (4) NASA Lunar surface development activities and infrastructure
- ii) The board discussed ideas for other locally relevant topics such as:
 - (1) Grand Prairie Water Commission in Joliet
 - (2) Intermodal connections and supply chain for rail and freight traffic growth; CREATE program
 - (3) Chicago Bascule Bridges and bridge maintenance
- h) Membership (Tom Borges) – No Report submitted.
- i) Sustainability (Elizabeth Karlovics) – Report submitted. (See attachment 8i)
 - i) Director Handa presented on behalf of Chair Karlovics. The Sustainability Committee recently met to discuss the group's mission statement and are working on developing long-term and short-term committee goals.
- j) EWB (Liz Jensen) – No Report submitted.
- k) Finance (Thomas Janicke) – No report submitted.
- l) President-Elect/Spring Dinner (Matt Huffman) – Report covered under Old Business. (See attachment 5a)
- m) Report Card (Brian Pawula / Sandra Homola) – No report submitted.
- 9) President Homola solicited the board members' input on how to encourage more in-person attendance at monthly board meetings.
 - a) It was discussed that Monday may be challenging as many members are not in office on Mondays. However, Monday board meetings are part of the ISASCE by-laws. Additionally, most industry events do not occur on Mondays which avoids conflicts and meeting overlaps. The board meeting date is not likely to change.
 - b) An idea was presented to have in-person meetings quarterly to encourage better group attendance. The Executive Board will consider this idea and revisit the discussion with the board at a future meeting.
- 10) Additional discussion:
 - a) Next meeting will include time for board members to discuss the development of a shared calendar for Chicago area industry events (i.e. ACEC, ISPE, SEAIO, WTS, ITE, etc.)
 - b) Karen Kabbes encouraged members to participate in the ASCE elections not just to select the next president-elect, but to vote for regional directors, governors, and institute representatives.

Location: Maggiano's Little Italy

Objective: ASCE HQ / Illinois Section / Younger Member Group / Student Chapter Collaboration

Participants

- ASCE President-Elect: Marsia Geldert-Murphey
- IL Section Board: Matt Huffman (President-Elect)
- IL Section Student Outreach Committee: Natasha Breslieva, Steve Rienks, Joshua Staryzk
- IL Section Younger Member Group: Ryan Cummings
- Northwestern University Student Chapter: None
- Illinois Institute IT Student Chapter: Sofia Koepl (President), Cameron Kramer (Vice President)
- University of Illinois at Chicago: Sriya Gandikota, Tisa Patel

Discussion Topics:

- Introductions
- Experience at the Western Great lakes Student Symposium
- Student Chapter experience post COVID
- IS-ASCE Mentorship Program
- Student Member Transition
- Open Discussion

Notes:

- UIC / IIT / NU will be co-hosting the Western Great Lakes Student Symposium tentatively scheduled for the first weekend of April 2024.
 - UIC – Hosting Steel Bridge
 - IIT – Hosting Concrete Canoe
 - NU – Website & Fundraising Lead
- Discussion occurred about forming an Illinois Section advisory committee or task force to assist UIC / IIT / NU with the 2024 Western Great Lakes Student Symposium in April 2024.
- Discussion occurred about how best to coordinate with the student members. Further discussion will be needed to determine the best forum for the Illinois Section to pass on information to Student Members. Many believe that email is no longer an effective means of communication and other more direct avenues, such as: Slack, Messenger, Discord, GroupMe, and Instagram, should be considered.
 - IIT and UIC both are evaluating the best way to communicate with their current and prospective members.
- The Illinois Section should confirm their practitioner advisors for each of the student chapters.
- The LTC Speakers Bureau could be used for Student Chapter speaker topics/projects.
