

FAMU-FSU ASCE STUDENT CHAPTER

QUARTERLY REPORT

Our chapter has successfully completed our fall semester. We planned several events and even hosted the order of the engineer ceremony. Our steel design and concrete canoe teams have been busy working on various designs and ideas! We are very excited for the spring semester and the events in store.

The Student Chapter's activities for this quarter are as follows:

- Our chapter began sign-ups for smaller competitions on October 15th
- A watch party was held at Mellow Mushroom for the FSU vs. Louisville football game on October 30th
- The last game of our intramural flag football season was held on October 27th
- Our chapter participated in the Trash Dash 5k on November 8th
- An ASCE tailgate was held on November 8th for the Virginia football game
- In the spirit of Thanksgiving, we made our last meeting of the semester a potluck and it was held on November 13th
- Graduation cords were handed out to active graduating seniors
- On December 1st our chapter hosted the Order of the Engineer ceremony
- Our chapter organized a blood drive on December 2nd
