ASCE MIB Younger Members

If you are not on the YM email distribution list and would like to be, or would like to learn more about the group, please contact Matt Lee at Mattl@ucindy.com (317.895.2585).

ASCE MIB Geotech & EWRI Groups

The Geotech Group and the EWRI Group have been officially recognized by ASCE National as Institutes. Congratulations and a well-deserved Thank You to the leaders of those groups for seeing it through the application process. Both of these groups (now institutes) are relatively active and are currently chaired by David Latka (Geotech) and Roy Francis (EWRI). If you are interested in being involved and/or included with these institutes, feel free to contact David at david.latka@cardno.com or Roy at roy.francis@amwater.com.

Upcoming ASCE Continuing Education Opportunities:

Below is a Continuing Education Schedule of seminars and workshops in the coming months in our area and/or of possible interest to our membership. These seminars/workshops have been produced by ASCE's Continuing Education Department with our members in mind. SPECIAL NOTICES (cont.)

Job Shadowing: If you or someone in your organization is interested in hosting job shadowing opportunities, please let us know! Occasionally, we (ASCE-MIB) receive requests from local schools and organizations to provide young people an opportunity to learn more about Civil Engineering. If you are interested, contact Mike Wigger at mwigger@earthengr.com. Please list the disciplines of Civil Engineering that your firm represents. Mike will maintain a list of firms and disciplines for future job shadowing requests.

Committee on Sustainability: Recognizing that any well-planned and implemented civil engineering project in the near term will most likely include planning and design considerations for project sustainability, ASCE has started a Committee on Sustainability. Refer to <http://www.asce.org/Sustainability/ASCE-and-Sustainability/Committee-on-Sustainability/> for information about this committee. If there is interest in forming a “branch” committee here at the ASCE-MIB local level, please contact Mike Wigger at mwigger@earthengr.com. Mike will maintain a list of those interested and will get you in touch with your peers.

Continuing Education Requirements for Indiana PE's

For your reference, a listing of the Continuing Education Rules is available at:

<http://www.in.gov/pla/engineer.htm>.

Newsletter Sponsors: Each newsletter is received by nearly 1,000 individual engineers who are members of our Branch, representing hundreds of consultants, public agencies, contractors, suppliers and private clients across central Indiana. As a sponsor, your company name and contact information would be prominently displayed on the front page of an upcoming newsletter which is also posted on the Indiana Section webpage. Sponsorship is \$125. If you are interested in sponsoring a newsletter, please contact Maceo Lewis at lewism@bv.com or at 317.570.8331.

Employment Ad Section: An employment ad section is included with the newsletter. Various positions are advertised throughout the year! The ads are read by over 1,000 engineers in the MIB through this newsletter, as well as over 1,600 engineers statewide through the website. Employers are able to directly target the engineers they are seeking instead of paying extra to advertise to drivers or nurses. Rates are competitive at \$250 per month. The ad should be sent to the ASCE MIB Secretary in MSWord or PDF format by the 15th of the month for publication in the following month's newsletter.

Payment should be sent to the ASCE MIB Treasurer. Contact information can be found in the newsletter or via the website.

ASCE Seminars, Calendar of Events, & Annoucements

Please forward any seminars, meeting information, or annoucements that you would like included in the upcoming newsletters to our secretary, Mike Wigger @ mwigger@earthengr.com.
