Job Shadowing: If you or someone in your organization is interested in hosting job shadowing opportunities, please let us know! Occasionally, we (ASCE-MIB) receive requests from local schools and organizations to provide young people an opportunity to learn more about Civil Engineering. If you are interested, contact Mike Wigger at mwigger@earthengr.com. Please list the disciplines of Civil Engineering that your firm represents. Mike will maintain a list of firms and disciplines for future job shadowing requests.

Continuing Education Requirements for Indiana PE's

For your reference, a listing of the Continuing Education Rules is available at:

<http://www.in.gov/pla/engineer.htm>.

Newsletter Sponsors: Each newsletter is received by nearly 1,000 individual engineers who are members of our Branch, representing hundreds of consultants, public agencies, contractors, suppliers and private clients across central Indiana. As a sponsor, your company name and contact information would be prominently displayed on the front page of an upcoming newsletter which is also posted on the Indiana Section webpage. Sponsorship is \$125. If you are interested in sponsoring a newsletter, please contact Maceo Lewis at lewism@bv.com or at 317.570.8331.

Employment Ad Section: An employment ad section is included with the newsletter. Various positions are advertised throughout the year! The ads are read by over 1,000 engineers in the MIB through this newsletter, as well as over 1,600 engineers statewide through the website. Employers are able to directly target the engineers they are seeking instead of paying extra to advertise to drivers or nurses. Rates are competitive at \$250 per month. The ad should be sent to the ASCE MIB Secretary in MSWord or PDF format by the 15th of the month for publication in the following month's newsletter.

Payment should be sent to the ASCE MIB Treasurer. Contact information can be found in the newsletter or via the website.
